**The Rio Metro Regional Transit District (RMRTD) is undertaking a year-long project to develop a long-term strategy and vision for the future direction of the agency and transit in this region.**

**PROJECT GOALS**

- Develop a *bold vision* for regional transit
- Determine *RTD's role* in achieving that vision
- Build *broad-based support* for the vision
- Identify *new tools* to fund & implement the vision
- Begin phased *implementation* of the vision

**JOIN US**

As a regional leader, transit partner or potential partner, **we are inviting you to participate** in the RMRTD Long Term Strategic Visioning stakeholder meeting in your County. The Board is asking your input on how regional transit can contribute to the success of the region and meet your specific needs.

The RMRTD Board has developed a vision framework around the following **six core themes**:

- Exceptional Customer Service
- Transformative Regional Service
- Strong Transit-Centered Communities
- Sound Financial Stewardship
- Innovative Programs & Partnerships
- Industry-Leading Knowledge & Practice

**If you would like to schedule a presentation to your organization contact:**

**Tony Sylvester** - Special Projects Manager, MRCOG
