# Discover the Salt Missions Trail

There's a lot to discover on the Salt Missions Trail Scenic Byway as it loops through the agricultural vistas of the Estancia Valley and meanders through historic villages in the Manzano mountains. Visit just one or all of three Spanish mission sites, or dive even further into the past at the Tijeras Pueblo Archeological Site. Glide into the future at the Glider Museum in Moriarty or enjoy the present with a sample of beer at the home of world-class brew. Celebrate wildlife, music and more at Wildlife West, and stop for a refreshing break at Estancia's spring-fed lake.

There's a lot to discover and experience along the Byway, including welcoming and vibrant communities. The communities along the Byway each celebrate the Trail and their history in a unique way, and you are invited to participate in those celebrations. From gliding competitions and the Pinto Bean Fiesta in Moriarty to Punkin' Chunkin' fun in Estancia and the historic Shaffer Hotel in Mountainair, the Salt Missions Trail Scenic Byway has something for everyone all year long. Come discover the fun!
